

Torahverse Apprentice Educreator (full time, in-person)

Work in-person with a growing team! Learn the role of Educreator-Guide with the goal of becoming a full time elementary or middle school Guide in the future. Audit, improve, and lead the school's Core Skills program (Math, Reading, and Writing). Work with learners ages 8-12.

The position begins immediately with a probationary period of 3-4 months of part-time, in-person training, followed by an 11-month full-time school program from July-June. We run on 4-7 week Sessions with 1-2 week breaks in between Sessions.

Yearly Salary Apprentice Educreator: \$43,000

- *\$3,800/Month for 11 month program (approx \$28/hour)*
- *Paid for overtime team meetings and planning*
- *Additional part-time training months \$2,000*
- *Quarterly bonuses based on parent/student satisfaction survey*

Compensation increases for retention and promotion to Lead Educreator position.

RESPONSIBILITIES AND FUNCTION:

Learning to lead learners on a hero's journey

- *Learning to facilitate a truly customized education for each learner in the Studio with daily learner challenges, Socratic seminars, and launches*
- *Learning to facilitate character building experiences in an intentionally diverse Jewish environment.*
- *Learning to facilitate weekly 1-1 check-ins with every learner*
- *Learning to build and sustain a thriving community with all learners through consistent communication and activities that build culture*
- *Learning to observe and track each child's progress via the online platform*
- *Affirming young learners, holding them accountable to their promises and to their commitment to deliver "the best work they can do" as they discover and pursue a calling*
- *Acting as a role model as an independent learner on their own hero's journey*
- *Pass along each of these responsibilities to learners as quickly as possible, so as to allow learners to lead themselves*
- *Substituting for Guides, and other administrative duties from time to time*

Developing the Torahverse Schoolhouse Model in Alignment with Acton Academy

- *Auditing, improving, and implementing the math, reading, writing, programs*
- *Identifying or building pre- and post-assessments, remediation structures, and customized supports for self directed learners*
- *Meeting weekly with the the other Educreator and Head of School*
- *Publishing our findings as an innovative start-up on our school's blog, website, and other media sources in the broader education system as appropriate*
